Dear Sam:

In accordance with your recent request and in confirmation of my telephone reply to your secretary, we plan to have two of our engineers knowledgeable in dust control matters visit your Berlin, New Jersey plant on February 27. They will plan to arrive in Berlin by 10:00 A.M. on that date. If there is any change in your tentative plans for subject meeting, please let me know at the earliest opportunity so that our people can readjust their own schedules.

Yours very truly,

James N. Siegfried, Chief
Community Environmental Control
