MEMORANDUM

To: E. K. Bancroft

From: J. M. Nolan

Subject: Asbestos Labels for Borg-Warner

Jim Geies, V. P. of Manufacturing, and Jerry Zehner, Purchasing, have approved the last label submission.

They are having an education meeting with their employees to explain the need for these labels. This will take place in November and labels can be used after December 1st, 1978. No objections from them on labels for Germany and Japan.

Please order labels in three languages. I would need examples of the German and Japanese to send to them with a covering letter explaining the reason for them and Bellwood's acceptance.
