BUGGY PAINT

... OR ...

COLOR IN VARNISH.

For Painting and Varnishing at one operation

Carriages, Wagons, Carts, Sleighs, Sleds
Porch, Lawn and Kitchen Furniture,
Farm Implements, Boats,
Machinery, Etc.

Put up in Quart, Pint and Half-Pint Cans.
Quarts, 1 dozen in case. Pints, 2 dozen in case.
 $\frac{1}{2}$ Pints, 4 dozen in case.

DIRECTIONS.

To produce a good job, the surface before painting should be perfectly free from grease, clean and dry. Spread evenly and not too heavy. Stir the paint thoroughly before attempting to apply.

The paint as it is in the can is ground ready for application, but if it is considered too heavy for certain work, a little pure spirits of turpentine may be added.

This line of products also includes (in same size packages and at same price) Enamel Leather Dressing for Carriage Tops, etc.

Every package is FULL Measure.

'Tis easier to copy than to originate. Would be competitors are recognizing the superiority of our products, business methods, advertising features, etc., and in imitating them as they now do, they render us valuable service, and at the same time advertise their own impatience. 'Tis the best that is imitated.
