Re: Toxic Substance Control Act (TSCA) Lead Based Paint Inspection

Dear Mr. Jackson:

I am writing to inform you that the Enforcement and Compliance Assurance Division of Region 6, United States Environmental Protection Agency ("EPA") has reviewed the information provided during the Lead-Based Paint Disclosure Rule and the Renovation Repair and Painting Rule (RRP Rule) inspection conducted on June 17, 2024, for Servant Remodeling. Following review of the data received and our conversation, EPA has determined that Servant is following the requirements of the RRP rule at this time and no further action is required. Please continue to comply with the LBP Disclosure Rule regulations and be aware that any future renovations in pre-1978 homes are subject to the RRP regulations and must be done in a manner compliant to the regulations.

If you have any questions regarding this letter, the file review, or future compliance questions, please contact Stan Lancaster at (214) 665-8034 (Lancaster.stan@epa.gov) or Angela Hays at (214) 665-2285 (hays.angela@epa.gov).

Sincerely,
