Thanks for getting back to me so quickly, Hayley. Attached is the completed event request form for Administrator Pruitt. As it states on the application, we want you to know that we are open to finding a date for Admin. Pruitt virtually any Tuesday, Wednesday, or Thursday of March. Please let me know if there is any other information or materials you need!

Best,  
Peter

Hi Peter,

March 20<sup>th</sup> is currently held for an out of town event, but that could change. He is currently slated to be in town March 22 (but again, can always change!). If you just indicate on the form that you're flexible on date but if you'd like it to be during a specific range of dates, you can say that too.

Thanks!

Good Morning Hayley,

I really appreciate you reaching back out and sorry for my delayed response!

In the past week, the Edison Electric Institute (EEI) gave us two specific dates to potentially host Administrator Pruitt: Tuesday March 20 or Thursday March 22 (8:00am-9:00am). I wanted to give you a heads up on these two dates prior to sending the completed application.

If for some reason you all know ahead of time that those dates would not work for Administrator Pruitt, I would be happy to circle back with EEI and plan more suitable dates.

Thank you again for all of your help and look forward to hearing from you.

Best,  
Peter

Hi Peter,

Apologies for not responding sooner! All the venues you mentioned below work for us – we’ve gone everywhere! If you wanted to throw out some suggestions of specific locations, we’d be happy to weigh in and determine what would be best.

Thank you and we look forward to it!

Hi Hayley,

Thank you for getting back to me so quickly and providing me with the speaking request document. CAGW has several ideas for the event location, but before we reach out, I wanted to ask you if the Administrator had a preference about appearing before an industry trade association (e.g. the Edison Electric Institute), law firm, or a non-industry related venue. If you have any questions related to this please let me know. Thanks for your consideration and happy holidays!

Best,  
Peter
