Gentlemen:

This is to advise you that our current contract with Asbestos Workers Local 75, Albuquerque, New Mexico will be terminated effective July 31, 1967. Although we anticipate no work stoppage, we feel we should notify you regarding the possibility of a labor dispute.

At the present time, we are negotiating with Local 76, and we are hopeful that a new contract will be signed by July 31, 1967. We are doing all that is possible to avoid a labor dispute; however, should this situation develop, we will certainly appreciate your cooperation.

Yours very truly,

WILLARD A. SELLE, INC.
