

Send for free sample
of ANACONDA'S all-purpose WHITE LEAD
prove to yourself that it does give whiter whites and cleaner tints

Yes, sir! Anaconda White Lead can be used for *everything*. Just specify the All-Purpose Type, and you can use it for whatever kind of job you happen to have.

But that's not half of it. Yes, it's easier to use *one* White Lead for everything. But you'll do a better job if you use Anaconda. There's the real news. Actual tests prove it gives whiter whites and cleaner tints. What's more, it gives the paint all the durability of *pure* White Lead.

Send for your free sample today . . . and let Anaconda White Lead prove for itself that it *is* whiter, purer, better! And remember this—Anaconda costs no more than ordinary kinds.

**HOW TO GET A FREE SAMPLE OF
 ANACONDA WHITE LEAD**

If you will write to ANACONDA LEAD PRODUCTS CO., Dept. A5, EAST CHICAGO, INDIANA, using your business stationery, a sample can of Anaconda White Lead-in-Oil will be sent you *free*. In writing, kindly state whether you prefer heavy paste or "all-purpose" paste.
