Miss B. Aiken Tells How Cuticura Healed Eczema

"When I was about fourteen years of age my face, arms and scalp broke out with eczema. It started with little pimples and blisters which spread rapidly. I could not stand any clothing on my arms, and my face was disfigured. My scalp itched and burned so that I could not sleep, and my hair became dry and lifeless and fell out in handfuls.

"I read an advertisement for Cuticura Soap and Ointment and sent for a sample. It helped me so I purchased more, and after using three cakes of Soap and three boxes of Ointment I was healed." (Signed) Miss Burniss Aiken, Lyndon, Kansas.

Daily use of Cuticura Soap, Ointment and Talcum helps to prevent skin troubles.

Sample Each Free by Mail. Address: "Cuticura Laboratories, Dept. B, Malden 48, Mass." Sold everywhere. Soap 25c. Ointment 25 and 50c. Talcum 25c. Cuticura Soap shaves without mug.

Deft Touches
that make the house a home

It may be only a chair, rescued from long oblivion in the attic, that lends a bright spot to an otherwise colorless room; or a brilliant basket holding a bowl of flowers. But surely it is the little touches—the feminine touches—that make the house a home!

Women who are anxious to beautify the interior of their homes are devoted to such Fuller products as Silkenwhite Enamel, Decoret and Fullerwear Varnish. Decoret, a varnish and stain in one, imitates various natural woods—oak, mahogany, walnut, etc. It also comes in liquid bronze in a variety of shades for radiators, chandeliers and picture frames.

All Fuller Products are of consistently high quality, the result of 74 years of determination to excel. There is a local Fuller agent or dealer who carries Fuller Products. Why not see him *today*. Write, too, for our "Home Service" booklet. Whatever your painting need, W. P. Fuller & Co. makes a paint for the purpose.
