Messrs:
E. J. Putzell, Jr.
C. H. Sommer

Mr. H. H. Bible

Attached is a copy of a letter to me and to Wink Corey requesting approval of the ad hoc financial committee's recommendation for levels of liability and insurance for various customers. All customers so considered are those utilizing PCB as a di-electric fluid.

Unless advised to the contrary, it is my intent to approve this policy on March 1, since our PCB policy clearly permits me to do so.
