MEMORANDUM

TO Mr. J. R. Thomas DATE January 19, 1973

SUBJECT Minutes of January 16 Safety Steering Committee Meeting

COPIES TO Messrs. H. H. Imray, A. R. Hengst, George Prendergast, W. R. Saunders, S. B. Vaughn, and Dr. G. A. Hardie

The first practice standard has been approved and issued. This was a standard covering the practice of our employees handling asbestos. The committee recommended that meetings be held with the various maintenance and construction groups to review with them this new standard.
