Water Safety Questionnaire Sent Parents

ALAMEDA, May 28. — Ala-
meda's Red Cross Chapter today
sent out a "swimming safety"
questionnaire to parents to de-
termine how many Alameda ele-
mentary school children are able
to satisfy minimum requirements
for safety in the water.

The purpose of the question-
naire, according to Archie F.
Waterbury, co-ordinator of safety
services, will be "to determine
the water safety training needs
of the community.

"It is becoming increasingly
apparent that only a small per-
centage of our children have
been given swimming instruction
adequate enough to meet every
