

174-STEERING CASTER AND CAMBER KIT

No. 3-5815

CHEVROLET PASSENGER
1955-67
CORVETTE
1963-67

ADJUSTABLE CASTER & CAMBER KIT

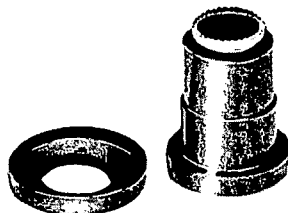

Simple, Fast Installation —
Nothing Else to Buy —
Requires No Special Tools —
Positive and Accurate Adjustment —
Enables Mechanic to Increase Camber
After All Shims are Removed.

When adjusted to full
cam gives $\frac{1}{4}$ " additional
positive camber.

Kit contains 4 cams,
4 steel washers,
4 neoprene seals,
4 grease fittings.
