

1 Sayers
 2 be taken by users," is that a statement that you
 3 would take some notice of?
 4 MR. SHIPLEY: Just a minute. Bob, can I
 5 get you -- you're obviously reading
 6 something.
 7 MR. BROWNSON: Of course I am.
 8 MR. SHIPLEY: Can you give me the date
 9 and the cite?
 10 MR. BROWNSON: I'm about to get to
 11 that.
 12 A. Can we have that first, please?
 13 Q. If you want it first, okay, I'll tell
 14 you. June 17th, 1967. If that statement was
 15 published in The Lancet in Great Britain on June
 16 17th, 1967, is that something you would have taken
 17 notice of?
 18 MR. WILL: Before you answer I would
 19 like to ask for the same courtesy that
 20 Mr. Goldman suggested. Do you have a copy
 21 of the document you can show me?
 22 MR. BROWNSON: No, I don't.
 23 MR. WILL: Do you have a copy to show
 24 the witness?
 25 MR. BROWNSON: No, I don't.

1 Sayers
 2 MR. WILL: So he's just to spoke to
 3 take your representation?
 4 MR. BROWNSON: Yes.
 5 MR. SHIPLEY: Same old double
 6 standard.
 7 Q. Can you answer the question, sir?
 8 A. Could you repeat the question?
 9 Q. Yes. If that statement was published in
 10 The Lancet on June 17th, 1967, is that something
 11 that you think that you would have recognized had
 12 you read it as carrying some weight?
 13 A. I would have certainly put it into the
 14 report if I had found it.
 15 Q. Oh, good. Very good.
 16 MR. BROWNSON: Thank you, sir. That's
 17 all the questions I have.
 18 MR. WILL: Let's go off the record a
 19 second.
 20 THE VIDEOGRAPHER: The time is 6:24
 21 p.m. We're going off the record.
 22 (Discussion off the record.)
 23 MR. SHIPLEY: For the record, you were
 24 purporting to read something on
 25 Dr. Egilman's computer; correct? Is that

1 Sayers
 2 right, Bob?
 3 MR. BROWNSON: I was reading a quote
 4 from The Lancet published June 17th, 1967,
 5 which I found on Dr. Egilman's computer, and
 6 I will check before we use it at trial to
 7 make sure it comports with a written copy
 8 from The Lancet.
 9 MR. SHIPLEY: I've been listening to
 10 this whole thing, you know, give the other
 11 lawyers copies before you start asking
 12 questions. Can I get a copy now?
 13 MR. BROWNSON: No.
 14 MR. SHIPLEY: May I look at the
 15 computer to read it off the computer?
 16 MR. BROWNSON: It's not my computer,
 17 sir. Go try to look at it if you want.
 18 MR. SHIPLEY: David, may I look at it?
 19 MR. EGILMAN: Trade you the
 20 photograph.
 21 MR. SHIPLEY: Okay. I'll send you a
 22 photo.
 23 MR. EGILMAN: No, I want the photo.
 24 MR. SHIPLEY: So you're not going to
 25 trade it?

1 Sayers
 2 MR. EGILMAN: You give me whatever
 3 you've got in there, and I'll trade it.
 4 MR. SHIPLEY: That's fine. I'll look
 5 at it now.
 6 MR. EGILMAN: You want to look at the
 7 article?
 8 MR. SHIPLEY: Yeah.
 9 MR. EGILMAN: No problem. Hook me up
 10 to a printer, and I will print it.
 11 MR. BROWNSON: That's a good idea.
 12 Let's make copies.
 13 MR. EGILMAN: Are you going to give me
 14 the smart media in there?
 15 MR. WILL: Can we go back on the
 16 record.
 17 (Pause.)
 18 THE VIDEOGRAPHER: The time is 6:28
 19 p.m. We're back on the record.
 20 EXAMINATION (continued)
 21 BY MR. WILL:
 22 Q. Mr. Sayers, did you see the June 17th,
 23 1967, letter of The Lancet at any time in 1967?
 24 A. No, sir, I did not.
 25 Q. And when you were looking at published
