Foundation Trustees Hold Spring Meeting

The Board of Trustees of Industrial Hygiene Foundation held their Spring meeting in the Board Room of the Johns-Manville Corporation in New York on May 10. Those present are pictured below.

Seated, left to right, are:

Dr. C. D. Selby, General Motors; A. C. Hirth, Owens-Illinois Glass; J. N. McLaughlin, Bakelite and Union Carbide & Carbon; Dr. A. J. Lanza, Metropolitan Life; Andrew Fletcher, St. Joseph Lead and Chairman of the Foundation's Board; John F. McMahon, Managing Director. Standing: I. E. Mack, Carborundum Co.; T. C. Waters, Mullikin, Stockbridge & Waters; Dr. L. U. Gardner, Saranac Laboratory; Vandiver Brown, Johns-Manville; E. C. L. Henson, Foundation engineer; Joseph Dilworth, Westinghouse Electric; J. Dewey Dorsott, Assn. Casualty & Surety Executives; Dr. R. R. Sayers, U.S. Bureau of Mines; and W. P. Iant, Mine Safety Appliances.

The Board authorized expansion of the Foundation's activities and services member companies, approved two research projects for health conservation in industry, and tentatively set the dates for the Tenth Annual Meeting of Members for September 14 and 15 at Mellon Institute, Pittsburgh, depending upon travel conditions at that time.
