Subject: Telephone town hall with Rep. Tom Tiffany in September

Caroline –

The Secretary has been invited by Congressman Tiffany to do a telephone town hall sometime in September and the Secretary would like to do it. It'd most likely be when the [House is in session](#) and also when Secretary Duffy is in DC. I'm copying Jason, Congressman Tiffany's Chief, to the thread too so coordinate a time that works for the Congressman too. It would be good to lock up a time soon.

Thanks,

Ryan
