REFER TO

Sirs:

An examination of the Power of Attorney files in this office indicates that there are many such documents which may have become obsolete and of no effect due to circumstances not within the knowledge of this office.

In order to permit the disposition of the obsolete records and so that the current Power of Attorney file may include only the active Powers, will you please advise this office whether the Power shown below filed by you as indicated is obsolete and should be cancelled or still in full force and effect.

You may use the copy of this letter to indicate the status at the place where shown. A self-addressed envelope is enclosed for your convenience.

Your cooperation in this matter will be very helpful and is earnestly requested.
