Subject CUTLER HAMMER
Lincoln, Illinois

Lou:

Attached is a list of the last fourteen blends of BMMB 5020 Bk25, Gr10 that were sent to CUTLER HAMMER, Milwaukee for the 'box test' for material to be shipped to CUTLER HAMMER, Lincoln, Ill. As you know, our limits are 80 to 105. Out of these fourteen batches 8 failed and 6 passed.

I hope that this data will be of help to you in determining what has caused our recent poor showing on the "box test".
