WHITE LEAD AND ZINC IN OIL. WHITE LEADS.

OUR GUARANTEE \$1.000

Strictly Pure

White Lead.

IS EQUAL TO ANY BRAND OF PURE LEAD MANUFACTURED.
EVERY PROCKOS CONTAINS OUR GUARANTEE.
AS SHOWN HEREWITH.

CAPITOL LEAD.

This mixture is vastly more durable than Pure Lead; it will not "chalk off" like Lead, nor "scale off" like Zinc, when either is used alone. In our experience of over forty years, we never found a more satisfactory Paint, for use either inside or outside, in any climate. For the Seashore it has no equal in every desirable quality.

As Prices given are for 25 pound tins, up to 100 pound packages.
1½ pound tins, ½c. per pound advance.
