Re: NATIONAL LEAD COMPANY-Puerto Rican
T.M. Regn. No. 4381 DUTCH BOY and
4382 DUTCH BOY

Dear Sir:

We beg to advise that the above mentioned registration becomes due for renewal on **June 28, 1968.**

If there has been a change of proprietorship since the original registration was effected and no proof of such change has been recorded, it will be necessary to do so when filing application for renewal. This notice is sent sufficiently far ahead of time to permit of consideration of this aspect of the situation and of its clarification if any complications affecting the change of title have arisen.

Our charge for effecting the renewal is
\$108.00 each.

This includes the cost of furnishing a certified copy of the home registration if that is required.

We shall be glad to inform you of the cost of recording any change of proprietorship which may have taken place on being advised of the present ownership of the trade mark.

Yours very truly,

MARKS & CLERK
