ENDURANCE HOUSE PAINT

Local Dealer Newspaper Ads

Attached are proofs of new ENDURANCE HOUSE PAINT ads which are ready for shipment in mat form.

These ads are well laid out, with a minimum of clean, open copy. They will do a good job of promoting and selling ENDURANCE HOUSE PAINT. The ads have been designed in several different sizes, including small spaces, anyone of which can be used by dealers, at local rates, for a minimum of advertising expense. In fact, the entire series can be used as a complete HOUSE PAINT campaign!

Be sure to remind your dealers that they are receiving the full benefit of the tremendous Glidden National Advertising Program in magazines and television — the impact of which is felt in every hamlet and city in the country. Glidden spends hundreds of thousands of dollars annually in national advertising and sales promotion ... all designed to help the local dealer SELL Glidden Paints. These ENDURANCE HOUSE PAINT ads are tied-in with Glidden National Advertising, and will help the dealer who uses them locally to increase his House Paint sales!

Encourage your dealers to use these forceful ads now and throughout the wonderful summer painting days that are just ahead.
