Discussion (include description of situation that was changed, basis for rate adjustment, mode change, special conditions, etc)

On June 1, 1979 a contract was signed between Du Pont and Deep South Trucking, for repositioning containers and trailers at the DeLisle Plant site. In view of the changing needs at the plant, a new contract was effected on April 1, 1983, canceling the 1979 agreement. Based on the number of on plant movements in 1982, cost savings of \$31.6M, as shown ~~MMX~~ herein, will be realized annually.
