Dear all,

Please find attached the draft agenda for the WP7 SEA project group meeting scheduled for tomorrow, 23 February 13:00-15:30. Basically, we have one topic to share, which is an update of the uncertainty appraisal by [REDACTED].

That means that we have time left to discuss other topics. Please let me know if there is anything else you consider useful to discuss during the meeting.

Best regards,

[REDACTED]
