Mr. Francis Scofield
National Paint & Coatings Association
1500 Rhode Island Avenue, N.W.
Washington, D.C. 20005

Dear Mr. Scofield:

As I mentioned the other day, I am not receiving communications from the Association. Would you kindly get my name on the mailing list for:

Community Services Bulletins
Coatings
Air Quality Task Force letters

Any other publications that you feel may be useful to me.

Many thanks in advance.

Very truly yours,

E. B. Swain, Jr.
Toxicity Coordinator

P.S. - Incidentally, I thought the "Industry Update" program was very well handled and quite worthwhile.
