Thanks, Leila! Great meeting you and thanks to you and Karen for a great event at which the Secretary could participate. Look forward to having you join our team next week. I am heading to Nevada at the crack of dawn in the morning...and then on to Montana....and will be back in the office Thursday morning. You will get to do the fun administrative stuff (really fun computer training, finger printing, other paperwork, etc.). Lori, Natalie, Downey and Caroline will take good care of you.
