

Napa's tiny 21-month-old daughter of Mr. and Mrs. Arthur P. Kunkel, 185 Cesta street, is reported to be improving today at her home. The child was stricken Friday, a week after she was inoculated with vaccine produced by Cutter.

Dr. Pinkney does not believe the child's illness was caused by the vaccine. He said he will await a report from the state laboratory on blood studies being made to determine if the virus which hit her is the same type as was in the vaccine. The report is expected in about two weeks.
