The 28th Annual
CHLOREP SEMINAR

An opportunity to enjoy cocktails and hors d'oeuvres, the reception serves as a backdrop for exhibitors to display their products. The exhibit allows users to explore the many products available for use in chlor-alkali emergency response. Some of the exhibits will include emergency kits and personal protective equipment (PPE).

TRAVEL ARRANGEMENTS:

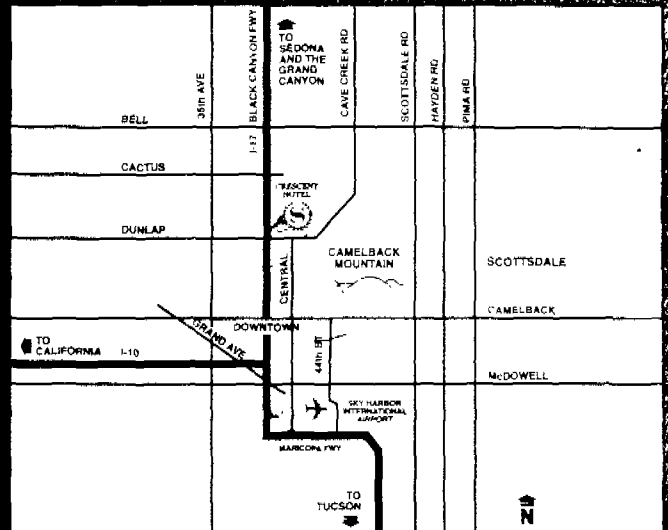

United Airlines and America West Airlines have been designated official co-carriers for the 1996 CHLOREP Seminar. Sky Harbor International Airport is located approximately 15 minutes from the Sheraton Crescent Hotel. Both offer discounts of 10% on business class (coach) fares and 5% on published (discount) fares for service to Phoenix from the United States and Canada (provided all rules and conditions of the airfares are met). Reservations should be made and tickets issued at least seven days in advance. To make your reservation, you or your travel agent should call one of the numbers listed below:
