AID TO THE USE OF THE ARCHITECTURAL INDEX

GENERAL ARRANGEMENT

All entries are arranged alphabetically. Articles about a specific building are indexed under the **general building type** and crossfiled under **"ARCHITECT OR DESIGNER" and locations, state or foreign country.** Under some headings subdivisions are made geographically or by subject. All other articles are indexed by subject and not by title. The person's name presented is that of the author of the article. News, Books Reviewed, and New Products are not indexed. Residential Development includes speculative and builder's houses.
