what Mr. Johnson is saying in 1957, that he knew at that time, he was conscious at that time of the interests in the asbestos workers, the people that use asbestos products and the problems of asbestosis?

A Right.

Q Let me show you another document dated February 6th, 1956. It is from Dr. Schepers to Mr. Burch, that you had previously identified.

But in this letter from Dr. Schepers of Saranac Lake, Dr. Schepers says, on the fourth page of this letter to Mr. Burch, I suppose you already know that asbestos is fairly well incriminated as a carcinogen and that asbestos causes lung damage by virtue of the length of its fibers.

Do you see that?

A Yes, I see it.

Q Now --

A I didn't know it had anything to do with the length of the fiber or size of the dust or any of those things.

I just thought the fact that you could
