Thanks David. Check in when you are back and we can catch up or we can get a placeholder on the calendar to chat- perhaps catch up next Friday?
Have a good long weekend!

I had a call with staff on the size standard earlier this week. (Danielle's deadline for interagency comments was last week.) None of what I said should be a surprise, given the 8(a) size standard letter we wrote earlier last year. The recommendations in that letter hold for this rule too. The size standard office hadn't yet been looped in either. (There was an assumption that vague discussions about the 8(a) rule were sufficient to give notice that this proposed rule was coming.) I sent more detailed comments to Danielle.

We'd also like to engage on Lead, with the newly imposed deadline and the ongoing 610 review.

I'm out until Wednesday. Let's talk next steps when I'm back.

I spoke with Tabby in December about the Small Business standard so she had a heads up on what was coming.

Let me know if you have any questions or want to discuss any pieces.
