Subject: Re: Call-in Number

We had a call with just the lawyers, which just ended. James Uthmeier and Kirstin Gustafson were on. We think we have a good path forward here. I think James will follow up with you guys so that you can either give EPA a green-light or propose any tweaks you think are needed.

Is there a call on the language in the re-initiation letter? I have not seen the call-in information.
