Thanks Preston – a very informative conversation from our point of view as well. Janice and Angela (cc'd here) can provide the best address.

Janice and Angela – what is the best way for the Administrator to correspond with the Governor? Is sending to the general state mailbox the best option?

Thanks all,

John

All,

The Administrator enjoyed hosting your bosses at the EPA this past Sunday for the Annual WGA Breakfast. The conversation was informative and productive and we look forward to continued partnerships with your respective states.

Administrator Pruitt would like to send a note to each governor who attended, so please send me the best mailing address for personal correspondence. Thank you, and please don't hesitate to contact me with additional EPA priorities.

Best,
Preston
