Subject: Thank you

Nancy,

Thank you for meeting with the representatives of TX Citrus Mutual, FL Fruit & Veg, National Sorghum Producers, National Cotton Council, American Soybean Association and me to discuss the pending Section 3 for Sulfoxaflor. We are hopeful that Rick's team will be able to review the status of new use requests and be able to move forward with at least a couple of them before too long. Please do not hesitate to let me know if you have any questions or concerns about this issue or some of the broader pollinator policy impacts on agriculture.

Thanks again and enjoy the weekend.
— Joe
