To File - Report to National Response Center ("Superfund")
From M. G. Jakel
Date November 12, 1982
Subject VCM VAPOR UNLOADING LINE LEAK

At 2:30 P.M. on November 10, 1982, I notified the National Response Center of the VCM leak that occurred about 10:00 P.M. on November 9, 1982, at the VCM unloading rack. Attached are:

- 1) The list of questions asked by the National Response Center attendant and my response to each question.
- 2) A report of the incident based on comments from Glenn Steele, temporary Shift Supervisor on duty at the time of the leak.
- 3) Documentation of the basis for estimating the size of the VCM release.
