SUBJ: INVENTORY DESCRIPTION FOR ALFOL 1620-SA ALCOHOL

VISTA

This product is on the inventory by virtue of being a mixture of substances on the inventory. The CAS numbers for the constituents are below.

112-92-5	1-Octadecanol	$C_{18}H_{38}O$
629-96-9	1-Eicosanol	$C_{20}H_{42}O$
36653-82-4	1-Hexadecanol	$C_{16}H_{34}O$

The names and numbers above are the way they are listed in the inventory. In this case, the origin of the product, natural or synthetic has no significance as to the inventory listing.
