IN MEMORIAM

Robert Lindley Ziegfeld had served Lead Industries Association for 37 years when he was taken by untimely death on January 11, 1965. During those many years he contributed his wisdom, vision and experience to the growth and usefulness of this organization. Executive vice-president at the time of his death, he had served in many capacities and if he had grown with the Association, it had grown with him, too, and under his guidance and counsel. His fair open-handedness, warm friendship and personality will be sorely missed by every member of the Association and its staff. His accomplishments stand as challenging monuments in the sight of those he left behind.
