To: U. S. and Canadian Members of the LIA Health and Safety Committee

Re: Meeting January 4, 1967 - LIA Conference Room
292 Madison Avenue, N.Y.C., 14th floor at 10:00 a.m.
to discuss proposed air quality criteria

Subsequent to the meeting of the Health and Safety Committee and the Pennsylvania group at LIA headquarters on Friday, December 9th, and in accordance with agreements reached at that time, Messrs. Diggs, Fowler and Hesselberg conferred with Dr. Kehoe -- Dr. Kehoe, in turn, with Mr. Sussman, Director of the Division of Air Pollution Control of the Pennsylvania Department of Health, and Dr. Brandt, the Commission's Chairman.

We believe it important that you be brought up to date on the latest developments in advance of the January 19th hearings at Harrisburg. As a result, we are again requesting your presence at LIA headquarters at 10:00 a.m. on Wednesday, January 4th.

Please let us know if you are coming. Presumably the meeting will occupy the morning and we will have lunch together.

Very truly yours,

Don G. Fowler/SW
