Foundation?

A. Yes, I have.

Q. When you took over the foundation, were you oriented and briefed by your predecessor as to the practices and policies of the Industrial Health Foundation?

A. Well, by the staff.

Q. Your immediate predecessor had left --

A. That is correct.

Q. -- and you were informed by the staff as to what had been done through the foundation?

A. Right.

Q. You mentioned that when you had your first tour of duty with the Industrial Health Foundation it was under a different name?

A. Yes.

Q. Could you please explain to the members of the jury the history and the various names and the time changes of the Industrial Health Foundation?

A. Yes. It was organized in 1935 as a fellowship within the Mellon Institute under the name of the Air Hygiene Foundation of America, Incorporated.
