Mr. Russell Brittingham,
The Pittsburgh Corning Corporation,
One Gateway Center,
Pittsburgh 22.

6th February, 1964

Dear Russ,

Thank you very much for your prompt reply to my letter referring to the possibility of our using the name 'Unibestos'.

I do agree that it would be better to talk this over personally and should welcome an opportunity of doing this. I know that Ronnie Dent would also much enjoy seeing you again and hearing your news.

Ronnie is on his way to South Africa at this moment and I am joining him at the end of next week. He will be back by the middle of March but I shall be away until just before Easter, by which time he is due to visit Italy. So the middle of March does look a bit difficult.

The first dates when both Ronnie and I will be at the office together for more than a few hours at a time are the 1st, 2nd and 3rd of April; but I appreciate that these dates will probably not fit in with your own plans.

Mr. Russell Brittingham

6th February, 1964

I see that Ronnie has Wednesday, 11th March, and Friday, 13th March, free and perhaps these dates would be more convenient for you. I shall not be back by then but I could of course brief him on the points I should like to discuss with you.

May I suggest that you drop Ronnie a line when your own plans are made since I know that he will be most anxious not to miss seeing you when you are in this general direction.

I am thinking of making a brief trip to the States fairly soon after my return from Africa and so, perhaps, this would enable us to take up any matters that are still outstanding after your visit to Europe.

Thank you for your good wishes; I hope that all continues to go well with you and that it will not be too long before we meet again.

Yours sincerely,

*Dick*PS

Since writing this letter, I have seen yours to Ronnie dated 5th February which I am sure he would wish me to acknowledge. I have had another look at his diary and it looks as though 11, 12 and 13th March would be best for him if you are unable to do 1st, 2nd and 3rd April. I shall mention this when I see him in Johannesburg next week.

Dick
