Dear Marty:

Thank you for your letter and note of May 15th. I was most happy to meet you and to participate in the program on behalf of the Lead Industries Association in Jerry Cole's absence.

I believe that the meeting was very worthwhile and that those in attendance benefited from the program. The reporter indicated that she would require approximately 3 - 4 weeks to transcribe the proceedings. As you probably know, we are also planning to publish the proceedings of the meeting in Wilmington which is scheduled for June 2nd and June 3rd. After we receive the transcript from the Wilmington meeting, we will need to get together with you, representatives of BCCM, and others regarding the publication of the proceedings.

I am enclosing an itemized list of expenses which I incurred in attending the meeting.

I look forward to seeing you again in regard to the proceedings.

Sincerely,

Donald R. Lynam
Assistant Director,
Environmental Health
