THE COURT: The reason I say exciting, I heard Mr. Thomas' testimony on at least five occasions.

MR. McGOWAN: And that is four times too many.

THE COURT: I didn't say that.

Go ahead, Mr. Williams.

MR. WILLIAMS: I have been apprised that Mr. Grewe's videotape will be played today, and if not today, certainly by tomorrow, and I just wanted to remind you that I have filed written objections.

I don't think we came to those, but --

THE COURT: I have reviewed what you have submitted, and I think I gave them to the Clerk. And I think I overruled your objection.

MR. WILLIAMS: That is what I was anticipating. I just wanted to take that up.

THE COURT: All right, sir.

MR. WILLIAMS: Thank you.

THE COURT: You are welcome.

(Whereupon, jury present -- 2:34 p.m.)
