Dear George:

The Asbestos Information Association submission to Senator Marks on California Senate Bill 2419 has been completed and will be mailed to him shortly. As a result we would suggest that you submit your comments directly to Senator Marks.

The only copy of the submission I have is a draft and since there were some changes included in the final version I will submit a copy of the completed submission to you as soon as I receive it.

Very truly yours,

James F. Reis
