RESEARCH AND DEVELOPMENT

Dr. Roger W. Strassburg
Director of Environmental Affairs
B. F. Goodrich Company
500 South Main Street
Akron, Ohio 44318

Dear Dr. Strassburg:

I wish to thank you for your assistance in our effort to understand the environmental and health issues of vinyl chloride exposure as related to polyvinyl chloride manufacture. The hospitality and information I received while at the Louisville plant are very much appreciated.

If I can be of some assistance to you, please do not hesitate to inquire.

Sincerely,

J. Wesley Clayton
J. Wesley Clayton, Ph.D.
Acting Director
Health Effects Division (RD-683)

*Dr. Clayton was with
Mr. Schweitzer at Trille.
He spent over an hour
interviewing Dr. Creech
on the health problem*
