Dear Ken:

Thank you for your letter of February 8. It has been impossible for me to consider the matter because of my proposed trip to Australia to attend the meeting of the International Committee on Pneumoconiosis sponsored by the International Labour Office of Geneva, Switzerland, to be held in Sydney - February 28 to March 11. Therefore, Ken, I would like to delay responding specifically to the article by Doctor Merewether until my return.

I am off tonight. Sorry to miss you on your trip to Saranac Lake.

With kindest regards,

Sincerely yours,

Arthur J. Vorwald, M.D.
