

1 there, were there different manufacturers?

2 A General Motors, Ford, Chrysler,
3 International, White.

4 Q Was there more of one manufacturer than
5 another there?

6 A We had more Fords.

7 Q And if we can just concentrate on Ford, can
8 you just tell us what types of Ford vehicles were
9 there when you started working at that garage?

10 A '28, 1928, '29, '30s, '31s, '32, the
11 passenger cars that we had.

12 Q And what about trucks?

13 A That was trucks. Most all of them were
14 trucks, except about three or four vehicles that were
15 passenger cars.

16 Q And the trucks, the Ford trucks, what were
17 the sizes of those trucks?

18 A They were half to two or two and a half
19 ton.

20 Q And the passenger vehicles, what types of
21 Ford passenger vehicles?
