E. E. S.

Bill Waldron

Servy at RSC

resp. of Ref. to request -

I did not request Nelson to do it

Carl Kornberger

① Fastener Corp NC adhesive

send him letter

will check files to see if any record
of human reactions

may be other ^{mat'l.} problems

prob. something else in plant
is soap

Doesn't think there is a problem
so don't bother with sending

②

ICI -

get safety data from ICI

③

Cellgreen -

if FDA scope

get info. section on FDA cleaner

call back him - never applied - no data

Van Luchlita

Rally liquid wax
Cotized Dermeter
