Dear Ms. Thomas:

In response to your recent request, the Association is pleased to provide you with the following information materials:

1. An information package on A/C pipe. This includes a chronology of scientific and medical research on asbestos in drinking water, a questions and answers reference, an A/C pipe glossary and an Association booklet addressing the asbestos and health issue.
2. Six issues of "A/C Advisory."
3. "A Study of the Problem of Asbestos in Drinking Water" published by the American Water Works Association.
4. "Recommended Work Practices for A/C Pipe."
5. "A/C Pipe and Drinking Water."
6. A list of the Association's Regular, Associate and Affiliate Member Companies.
7. "A/C America's Choice."

It is our understanding that Abalkahail, Inc. is a consulting engineering firm involved in water and sewerage projects.
