CONSTRUCTION SCENE at Cresthaven Manor in the Heli-Grossmont area is indicative of the rapid progress in building 94 homes in this subdivision. The houses have been framed, roofs are on and completions at the rate of two or three a day are anticipated by the first of June.

MOVE-INS SET MAY 15

Construction is progress-
ing rapidly at Cresthaven
Manor, a subdivision in the
Heli-Grossmont area where,
Sam C. Harris and Asso-
ciates, are building 94
homes with three and four
bedrooms.

Harris said first families
will start moving into their
homes about May 15. He
said completions should be
at the rate of two or three
a day by June 1. All street
paving has been completed
and concrete sidewalks and
driveways are now being
installed.

The homes are on large
lots that offer panoramic
views. The development is
south of Fletcher Falls shopping
center, the Alhambra
road and Chippin Lane.

All of the homes have
two bathrooms and some
have a powder room in ad-

dition. All also have a large
family room as well as a
living room.

HOME
