Dear Bob:

Thanks very much again for your appearance in Omaha. Your presence and testimony bolstered our case very much and increased, I'm sure, our slim chances of winning.

If Tom Marshall or Ron Lambert have not asked you to do otherwise, please send me a statement of your fee and travel expense and I'll see that the matter is taken care of promptly.

All of us enjoyed talking with you. The fishing stories stimulated me to shed all official duties and plan to spend next week in Mazatlan - fishing of course and swimming too.

Best wishes,
