Dear 5.1.2e

I am contacting you to ask whether you have had the time to consider the email and attached letter that I sent you recently (enclosed below). In the letter, which was sent to you and your colleagues who have submitted the Rol on PFAS, the FPP4EU sector group representing European PFAS producers and users have asked you for a month's extension to complete the second stakeholder consultation on PFAS. We believe that this extension will help us to build a robust and complete answer to the proposed questionnaire.

Thank you in advance for considering our request and I look forward to hearing your decision.

Best Regards,

5.1.2e
