Re: Eirven v. UCC&P

Dear Catherine:

I tried to reach you early this morning by telephone and I was advised that you were out of the office. We need to have a follow-up conversation in order to confirm our agreement with regard to the scope of the various interrogatories and document requests. In addition, I would like to see if we could resolve some of your objections to our Supplemental Document Requests.

One matter that I do need to get resolved as quickly as possible regards the draft Protective Order which we have sent to you on two or three occasions. We would like to produce some of the Eirven materials; however, we would like to reach an agreement with regard to the Protective Order in advance of that production. Please call me as soon as possible.

Sincerely,

Theodore J. Theophilos
